

OFSC, Inc. Club Policies

ALL skaters under the age of 12 are REQUIRED to have a parent or guardian at the rink at all times while they are on the ice. Situations arise where ice can become unavailable and your child could be left alone without an adult.

Safe skating is essential. During each skating session, the monitor is authorized to order a person from the ice for cause.

All club members are expected to behave responsibly and to be considerate of other skaters at all times. Low level and high level skaters must be aware of each other at all times or serious accidents can and will occur. Monitors, parents, and skaters: BE ALERT!!

Many falls on the ice can be prevented if one assumes a safe attitude and is considerate of others. Any foreign objects on the ice surface can provide a dangerous fall. No personal music devices, food, candy, gum, or beverages are allowed on the ice.

Most serious accidents around ice rinks occur OFF the ice. Running with or without skates, on the office surfaces is the major contributor to these accidents. **Please refrain from running or horseplay is allowed in the rink area.**

Racing and rough activity on the ice is not safe and is prohibited.

Ice use is to be in accordance with the posted schedule. Parents please assist and cooperate on this matter.

Learn to Skate skaters only skate on Learn to Skate allotted times and full club members cannot skate during Learn to Skate allotted time. Group lessons will start on time. Skaters should arrive 15 - 20 minutes early to have their skates on

Skaters taking a lesson should be given the right-of-way. Please be conscious of this and avoid the path of pros and their students. Try to save any questions you have for a pro until after their lesson is complete. Skaters skating to program music being played have the right-of-way, keeping in mind skaters that may be in a lesson. Free skaters should not intrude on ice areas where lessons are being conducted.

Practice spins should be done in the center of the rink. This, of course, does not include spins done during the course of practicing your program.

Skaters who have shown competency in the Learn to Skate program, as deemed by their professional coach, are eligible to move to Full Club and practice on sessions designated "Open Ice" only.
